

the uSmart[®]
3200T Plus

the new wave in portable ultrasound

Ready for the future with an optional
AI/AR-enhanced NVIDIA[®] 1280 CUDA[®] Core GPU

uSmart® 3200T Plus

With its 15.7" screen, an intuitive interface, and unparalleled image clarity, the **uSmart® 3200T Plus** is changing the way healthcare providers practice medicine.

Designed with your practice in mind, the uSmart® 3200T Plus utilizes Smart Gestures™ technology, open architecture, touch screen technology, and works with all Terason probes across multiple clinical applications—optimizing workflow and increasing productivity for everyday clinical needs. Every minute counts when your patients need answers. A hot-swappable battery provides 4 hours of typical scanning, so you can be confident you'll get the imagery you need for every case.

As the latest model in our uSmart® series, the uSmart® 3200T Plus reflects our commitment to develop novel, ease-of-use diagnostic tools and minimally-invasive therapeutic surgical devices that can improve patient outcomes and help providers deliver better healthcare.

the new wave in
ultrasound technology:

- affordable
- dependable
- portable

Terason's uSmart[®] transducers

Our family of lightweight and ergonomic transducers is ideal for easy scanning

see what others miss

Built on our proprietary *SuperHarmonic*[™] engine platform, our exclusive signal processing chips produce crystal-clear images with high tonality and contrast that are unrivaled in the industry. When you work with Terason, you can see every detail with remarkable clarity and make more informed decisions for patients.

focused on you

- 15.7" Widescreen
- IO-Point Multi-Touch Screen
- Hot-Swappable Battery
- ECG Capabilities
- uConnect[®] Remote Capabilities
- Smart Gestures[™]
- CW Doppler
- Multi-Probe Connector Kit
- Compatible with all Terason Transducers
- Intima-Media Thickness (IMT)
- Strain
- uSmartScan[™] Exam Protocol Software, Programmable Exam Protocol Software
- Sealed, Cleanable Surface
- Durability Tested
- Fast Boot-Up Time
- 1 TB (Capacity) SSD
- Intel[®] Core[™] i7 CPU with 16GB RAM
- Wi-Fi, Bluetooth, and Wired Connectivity
- USB 3, USB-C, and HDMI Ports
- DICOM 3.0
- Bitlocker[®] Drive Encryption Capability
- Auto-EF
- Stress Echo

the Terason commitment

We share your commitment to delivering quality care to your patients. With a robust online support infrastructure for system maintenance, training, and upgrades, you can count on Terason to partner with you and keep your investment at the forefront of medical technology for years to come.

The uSmart[®] 3200T Plus is an indispensable tool for point-of-care applications such as:

- Anesthesia
- Breast
- Cardiac
- Critical Care
- Emergency Medicine
- EMS
- Endocrinology
- Lung Scanning
- Musculoskeletal
- Phlebology
- Vascular Access
